Eliane Gluckman MD
Chair of Education and Dissemination Standing Committee
WBMT
(European School of Hematology, ESH and Eurocord)

Mohamad Mohty, MD
President EBMT

Dear Professor Gluckman,
Dear Professor Mohty,

with big sadness we learned about the barbaric attack in Paris. While I hope all are well with you, your family and EBMT members let me express our solidarity with the French population and our French friends. We are feeling strongly against this awful terrorism and we pray for all the victims of this tragedy.

Let us know if we can be of help!

Yoshihisa Koderu
President, Worldwide Network for Blood and Marrow Transplantation
