

Worldwide Network for Blood and Marrow Transplantation

WBMT CORPORATE PATRON SPONSORSHIP

WBMT Corporate Membership Program

WBMT offers several membership levels, each providing corporations with information and resources useful for marketing managers, medical doctors, product managers and transplant coordinators. According to the WBMT bylaws, the mission of the WBMT is to promote excellence in stem cell transplantation (SCT), stem cell donation, cellular therapy (CT) and accreditation through collaboration of existing international societies using coordination, communication and advocacy. The corporate sponsorship will not pre-empt the activities of its member societies.
